ISO 9001:2015 & ANAB ACCREDITATION

CPRI APPROVED

Imperium Engineering Pvt. Ltd. is working towards achieving a total Satisfaction of Customer.

WHY US

OUR METHODOLOGY

Imperium is driven by the capabilities to offer ingenious & rationale solutions to customers. We are focused on achieving absolute customer loyalty through

01

Customer Idea

Customer service is the act of taking care of the customer's needs by providing and delivering professional, helpful, high quality service and assistance before, during, and after the customer's requirements are met. Customer service is meeting the needs and desires of any customer.

Project Study

Four Pillars of Imperium that study the project requirement, they are Project Management team, Costing Team, Design and Production team. Each Team looks into the core requirement of the project and based on this they provide the required solutions to the clients as per their requirement.

02

03

Design

Imperium's strong Design team Designs the projects based on the client requirements and provides value additions for effective implementation of Project. Designs of the Projects are made to reflect client desire, cost, budget, security and long term service.

Approval

After going through Customer Idea, Project Study and Design team sends the final draft for client approval.

04

05

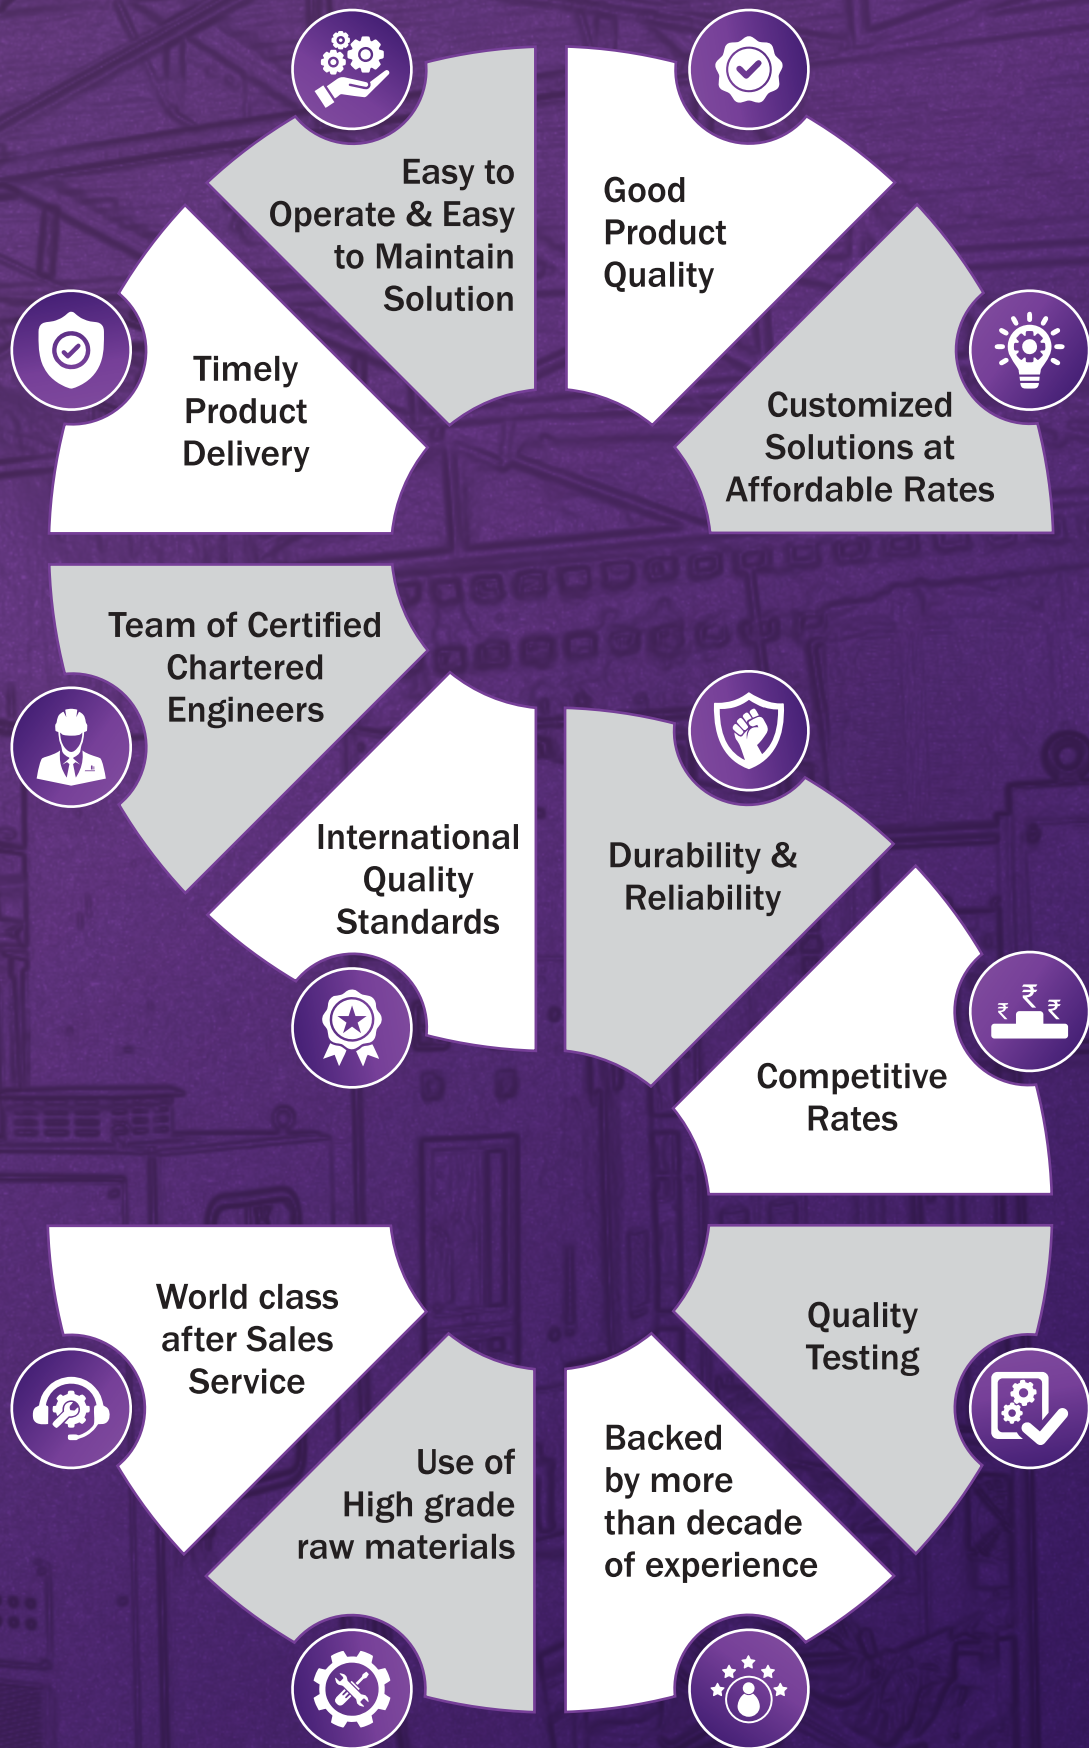

Manufacture

After the approval of the Design, Project gets executed

WHAT WE DO

Electric Power, Control & Automation panel

Power Distribution Board

VFD & PLC Panels

Retrofitting Services & Maintenance Activities Onsite

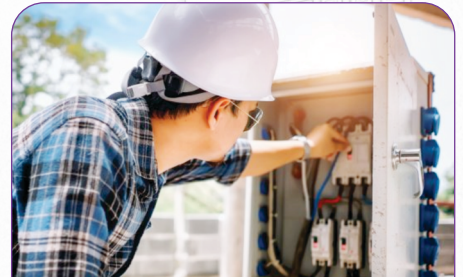

Electrical Consultancy

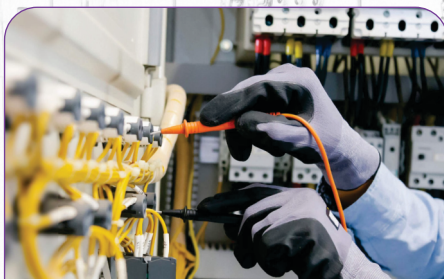

As Built Engineering Services

Harmonic Auditors & Solution providers

Licensed Electrical Contractor

Turnkey Electrical Contracting

Industrial Solar Installations

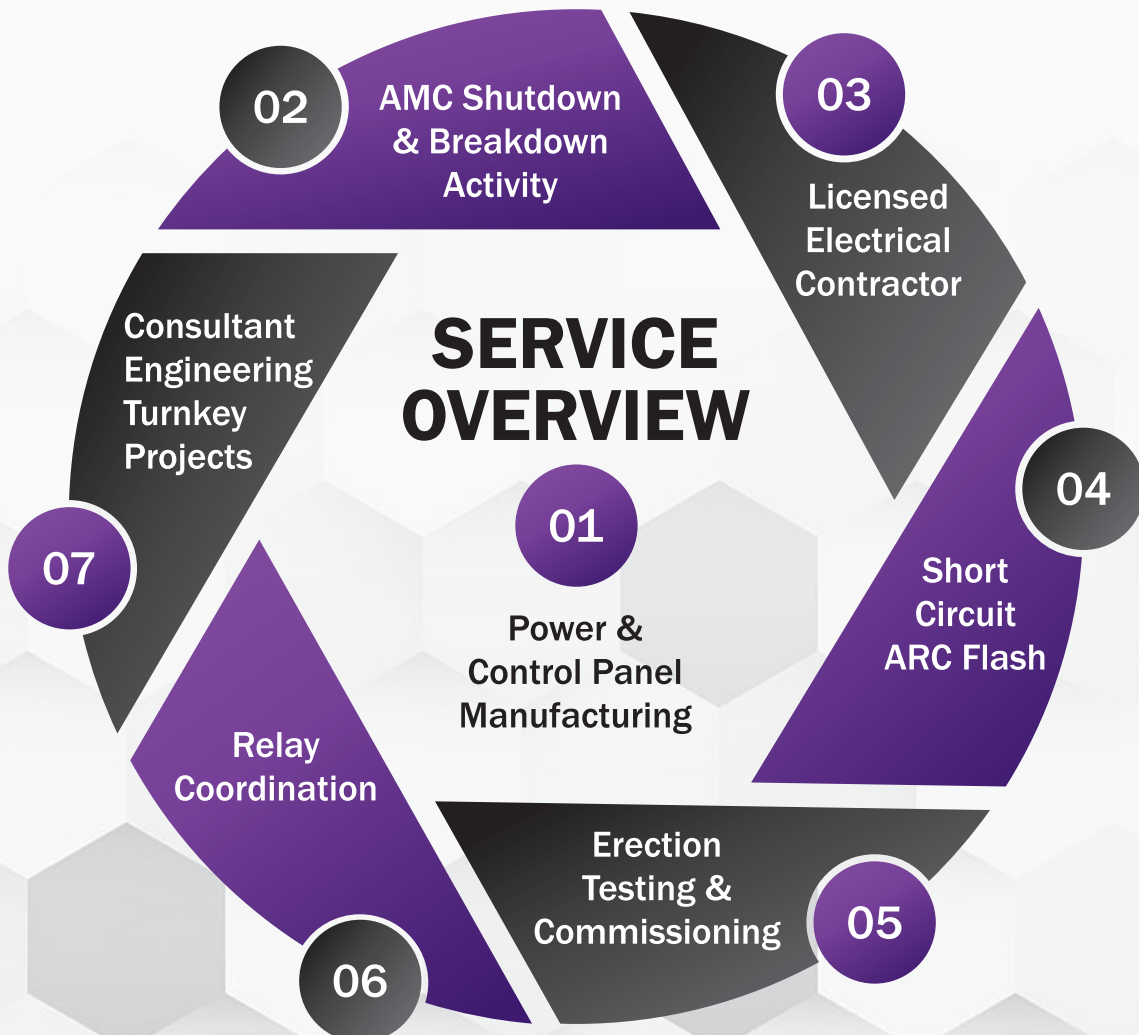

COMPETENCE & STANDARD
IS NEVER COMPROMISED

PRODUCTS

- **Power Panels**
 1. PCC
 2. PDB
 3. Auto Changeover Panel
 4. PMCC
 5. MCC Panels
 6. IMCC Panels
- **Control Panels**
 1. VFD Panel
 2. Starter Panels
 3. OEM Panels
- **PLC Panels**
- **Solar ACDB & DCDB**
- **Weatherproof Panels**
- **Distributors**

SERVICES

- **Consultancy**
 1. Green Field Projects
 2. Brown Field Projects
 3. As Built Drawing
- **Turnkey Electrical Contractor**
 1. Green Field Projects
 2. Brown Field Projects
 3. Solar Project
- **Power Quality Solutions**
 1. Automatic Power Factor Correction Panel
 2. Real time Power Factor Correction
 3. Passive Harmonic Filters
 4. Active Harmonic Filters
 5. Hybrid Filters
 6. Tuned Harmonic Filtration System
- **Site Retrofitting**

AREAS OF BUSINESS

- HT and PLC Panels
- Engineering and Consultant Business
- Harmonic Consultant and Audit Solutions
- Innovative techniques to reduce the Cost, increase the Productivity and Safety
